

Legislative Journal.)

PRESIDENT: (Gavel.) Order in the Chamber, please. Senator Beutler.

SENATOR BEUTLER: Mr. Speaker, members of the Legislature, Senator Pappas indicated to you the bill essentially requires an audit each year. In checking with the auditor's office, I just checked with them to try to get an idea of how often they audit different kinds of agencies, and what they told me was with regard to major agencies, the 12 or so major agencies of government, they audit them every year. With regard to smaller boards and commissions, they audit some of them every two years and some of them every three years. Their recommendation was a biannual audit on this particular kind of fund. So what my amendment does is simply says that the audit should be done every two years, biannually rather than each year, which would seem to be more appropriate for a fund of this size. I would ask for the adoption of the amendment.

PRESIDENT: Is there further discussion on the amendment? All those in favor of adopting the amendment of Senator Beutler please vote aye, opposed vote nay. We're voting on an amendment by Senator Beutler to LB 263. Please record your vote. Have you all voted? Clerk will record.
